JUDGING PROCEDURES

KCBS sanctioning allows for blind judging only. Entries will be submitted in an approved KCBS numbered container provided by the contest organizer. The container may be re-numbered by the KCBS Contest Rep or authorized personnel before being presented to the judges.

1) Judges may not **enter team areas** on turn-in day until the conclusion of judging. Visiting the day before the contest or after judging is encouraged.

2) Judging will be done **by 6 persons** at each judging table, who are at least 16 years of age. KCBS Reps will determine the optimum number of tables of judges needed to properly judge the contest. **Judges, Contest Reps, and necessary support staff only** are allowed in the judging area during the judging process. No other activities are permitted in the judging area during the judging process.

3) Each judge will first score all the samples for appearance of the meat. The turn-in containers will then be passed around the table and each judge will place a sample from each of the containers in the appropriate box on the judging plate. Judges shall not lick their fingers while taking these samples; paper towels, non-scented wipes, or damp wash cloths are preferred. The judge will then score each entry for taste and tenderness before moving on to the next entry.

4) The scoring system is from 9 to 2, all whole numbers between two and nine may be used to score an entry. 9 excellent, 8 very good, 7 above average, 6 average, 5 below average, 4 poor, 3 bad, and 2 inedible.

5) A score of one (1) is a penalty or disqualification and requires approval by a Contest Rep. Grounds for penalty/disqualification: All judges will give a one (1) in Appearance for prohibited garnish, pooled sauce or less than 6 samples of meat. All judges will give a one (1) in all criteria for sculptured meat, a marked turn-in container, foreign object in the container, or incorrect meat. All judges not receiving a sample will give a one (1) in all criteria.

6) The weighting factors for the point system are: Appearance - .5600, Taste – 2.2972, Tenderness-1.1428.

7) The low score will be thrown out. Results will be tallied. If there is a tie in one of the categories, it will be broken by the computer, as follows: The scores will be compared (counting all five judges) for the highest cumulative scores in taste, then tenderness, then appearance. If still tied, then the low score, which was thrown out, will be compared and the higher of the low scores will break the tie. If still tied, then a computer-generated coin toss will be used.

8) In the event of lost, destroyed, or missing scorecards the remaining score cards will be averaged in each category and those averages shall be used as the missing scores on replacement score cards. After there are six total score cards the normal procedure will be followed for dropping the low score. These **recorded** scores will be the official scores for any and all KCBS purposes.

9) Total points per entry will determine the champion within each meat category.

10) Cumulative points for only the four (4) KCBS categories will determine the Grand Champion and Reserve Grand Champion. No additional cooking responsibility may be required for consideration for Grand Champion or prize monies. No prize monies can be withheld for non-participation in ancillary categories.
